## **TransEnterix, Inc. to Host Analyst Event**

RESEARCH TRIANGLE PARK, N.C.--(BUSINESS WIRE)-- TransEnterix, Inc. (NYSE MKT: TRXC) announced today that Todd M. Pope, President and Chief Executive Officer, will host an Analyst Event featuring an expert panel of laparoscopic surgeons. The surgeon panel will speak about their evaluations of the TransEnterix SurgiBot™ System, a minimally invasive surgical robotic system that allows the surgeon to be patient-side within the sterile field, currently in development.

The event is scheduled to take place at 10:00am CT / 11:00am ET on Friday, April 17, 2015 at the Gaylord Opryland Resort and Convention Center in Nashville, TN, and can be heard through live audio webcast.

To access the live audio webcast or archived recording, use the following link <http://ir.transenterix.com/events.cfm>. The replay will be available on the company's website.

### **About TransEnterix**

TransEnterix is a medical device company that is pioneering the use of robotics and flexible instruments to improve minimally invasive surgery. The company is focused on the development and commercialization of the SurgiBot™ system, a minimally invasive surgical robotic system that allows the surgeon to be patient-side within the sterile field.
