

## TransEnterix, Inc. Announces Exercise of Option to Purchase Additional Shares

RESEARCH TRIANGLE PARK, N.C.--(BUSINESS WIRE)-- [TransEnterix](#), Inc. (NYSE MKT: [TRXC](#)), a medical device company that is pioneering the use of robotics and flexible instruments to improve minimally invasive surgery, today announced that the underwriters of its previously announced public offering of common stock partially exercised the option to purchase additional shares granted at the time of the public offering and have purchased 2,075,000 shares of common stock at the public offering price of \$3.00 per share, less underwriting discounts and commissions.

Net proceeds from the original sale of 16,666,667 shares on June 17, 2015, and the partial exercise of the option to purchase additional shares on July 10, 2015, after deducting underwriting discounts and commissions and other estimated offering expenses, are expected to be approximately \$52.0 million.

As previously announced, net proceeds from this offering will be used for research and development, sales, marketing, and commercialization related to its SurgiBot™ System, working capital and other general corporate purposes.

Stifel and RBC Capital Markets acted as the joint book-running managers and Raymond James, BTIG and Ladenburg Thalmann acted as co-managers for the offering.

This offering was made pursuant to a prospectus supplement dated June 11, 2015 and accompanying prospectus dated December 19, 2014, filed as part of TransEnterix's effective \$100 million shelf registration statement.
