As of the Record Date, there were 4,794,257 shares of Common Stock issued and outstanding. Holders of shares of Common Stock are entitled to one vote per share on all matters for which the stockholders are entitled to vote.

On July 25, 2007, the Company signed the Share Exchange Agreement, pursuant to which, the Company will acquire all of the issued and outstanding membership interests in SafeStitch in exchange for 11,256,369 newly issued shares of Common Stock, representing approximately 70% of the Common Stock then issued and outstanding. The signing of the Share Exchange Agreement and the consummation of the transactions contemplated thereby will result in a change of control of the Company to the members of SafeStitch, as a group.

At the Closing, the Company expects its current Board of Directors, other than Dr. Jane Hsaio and Richard C. Pfenniger, to resign and to be replaced by Dr. Charles Filipi, Steven Rubin, Jeffrey G. None of the Company's directors or officers, nor any Incoming Director is indebted to the Company.

Dr. Jane Hsaio, a current director of the Company, is also a member of SafeStitch. Dr. Phillip Frost, also a current director of the Company, is the trustee of a trust that is the largest holder of the Company's shares of Common Stock outstanding. That trust is also a member of SafeStitch. Also, Jeffrey G. Spragens and Steven D. Rubin, each to be elected a director of the Company (and Mr. Spragens to be elected Chief Executive Officer and President of the Company) at the Closing are currently members of SafeStitch. At the Closing, all of the foregoing members of SafeStitch will be issued shares of Common Stock in exchange for their respective membership interests in SafeStitch. See "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT" beginning on page 2 of this Information Statement.

Under the terms of the Share Exchange Agreement, The Frost Group, LLC and Jeffery G. Spragens, will be providing a line of credit to the Company in connection with the transaction of up to \$4,000,000 and the Company will be obligated to pay interest at a rate of 10% per annum. In connection with entering into the line of credit, the Company will grant warrants to purchase a total of 805,521 shares of its Common Stock to The Frost Group, LLC and Mr. Spragens. Dr. Hsiao, a current director (and continuing as a director after the Closing), and Mr. Rubin, an Incoming Director, and a trust controlled by Dr. Frost, a current director, are members of The Frost Group, LLC.

After the Closing, the Company's principal corporate office will be located at 4400 Biscayne Blvd, Suite 900, Miami, Florida. This space will be rented from Frost Real Estate Holdings, LLC, which is a company controlled by Dr. Frost.

In July 2007, the Company granted (i) 15,000 shares of Common Stock to each of Frost Gamma Investments Trust, an affiliate of Dr. Frost, a current director of the Company, Mr. Rubin, an Incoming Director and Mr. Pfenniger and Dr. Hsiao, each a current director of the Company, (ii) 71,000 shares of Common Stock to Mr. Katz, the Chairman of the Board of Directors, Chief Executive Officer and President of the Company, (iii) 26,500 shares of Common Stock to each of Messrs. Schoenberg and Angel, each a current director of the Company, and (iv) 2,500 shares of Common Stock to Mr. Block, Chief Financial Officer of the Company. The purposes of these grants, as applicable, were for various reasons, including, without limitation, to compensate such persons for their services as directors and officers, for services performed in connection with the Share Exchange and for prior merger and acquisition services performed by such persons over the past several years.

Additionally, in connection with the Share Exchange, Messrs. Katz, Angel and Schoenberg agreed to the cancellation of certain outstanding stock options held by each of them in exchange for the grant of 2,000 shares of Common Stock to each of them, resulting in the cancellation of 88,400, 3,200 and 20,000 stock options held by Messrs. Katz, Angel and Schoenberg, respectively, upon the issuance of such shares. Such dispositions were approved by the Board of Directors of the Company in advance and in accordance with Rules 16b-3(c) and 16b-3(d)(1), promulgated under the Exchange Act, for the purpose of exempting the dispositions under Rule 16b-3 of the Exchange Act.

BOARD OF DIRECTORS' MEETINGS AND COMMITTEES

Audit Committee

The Company's Board of Directors has a standing Audit Committee. The Audit committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act, and each member of the Audit Committee meets the independence requirements for Audit Committee members under the listing standards of the NASDAQ (SmallCap Market), on which the Company's Common Stock was formerly listed. The Audit Committee provides assistance to the Company's directors in fulfilling the Board of Directors' oversight responsibility as to the Company's accounting, auditing and financial reporting practices and as to the quality and integrity of the financial reports of the Company. The specific functions and responsibilities of the Audit Committee are set forth in the written charter of the Audit Committee adopted by the Board of Directors, attached hereto as Appendix A. The Audit Committee reviews and reassesses the charter of the Audit Committee annually and recommends any changes to the Board of Directors for approval. This committee currently consists of Messrs. Schoenberg (Chairman), Pfenniger and Angel, each of whom are independent under the NASDAQ standards. This committee held four meetings in 2006 (once per fiscal quarter). The Company's Board of Directors has determined that Lawrence Schoenberg is an independent audit committee financial expert as defined in Item 407(d)(5)(ii) of the Exchange Act.

The Company's Board of Directors has reviewed and discussed with the Company's management and Eisner LLP, the Company's independent registered public accounting firm, the Company's audited financial statements for the year ended of December 31, 2006 (the "Audited Financial Statements").

The Company's Board of Directors has discussed with the Eisner LLP matters required to be discussed under Statement on Auditing Standards No. 61, has received and reviewed the written disclosures and the letters from Eisner LLP required by Independence Standards Board Standard No. 1, and the Company's management has discussed with such firm its independence from the Company. The Board of Directors also discussed with management and Eisner LLP such other matters and received such assurances from them as the Company's management has deemed appropriate. The Company's management is responsible for the Company's internal controls and the financial reporting process. Eisner LLP was responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The responsibility of the Board of Directors is to monitor and oversee these processes.

Based on the foregoing review and discussions and a review of the reports of Eisner LLP, with respect to the Audited Financial Statements, and relying thereon, the Company's Board of Directors has approved of the inclusion of the Audited Financial Statements in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2006.

Lawrence Schoenberg (Chairman of the Audit Committee)
Richard C. Pfenniger, Jr.
Joshua J. Angel

Compensation and Stock Option Committee

The Board of Directors has a standing Compensation and Stock Option Committee. This committee reviews and approves the compensation, bonus, and stock option grants of all officers of the Company, reviews guidelines for compensation, bonus, and stock option grants for non-officer employees and has authority and control over the administration of the Company's stock option plans. This committee currently consists of Messrs. Angel (Chairman), Schoenberg and Pfenniger. During 2006, this committee held no meetings since Mr. Block continued to be the only officer of the Company that the Company compensated.

Nominating Committee

The Company does not have a standing nominating committee or a committee performing similar functions. The entire Board of Directors participates in the consideration of director nominees. The Board of Directors believes that a nominating committee separate from the whole board is not necessary at this time to ensure that candidates are appropriately evaluated and selected given the size of the Company and the Board of Directors. The Board of Directors also believes that, given the Company's size and the size of its Board of Directors, an additional committee would not add to the effectiveness of the evaluation and nomination process. For these reasons, the Board of Directors believes that it is not necessary to appoint a nominating committee. The Board of Directors does not have a charter relating to its nominating functions. The following members of the Board of Directors are independent pursuant to the NASDAQ Marketplace Rules: Lawrence J. Schoenberg, Joshua J. Angel and Richard Pfenniger.

Director Nominations

The Board of Directors does not specify formal minimum qualifications that must be met by a nominee for director. Nor does the Board of Directors have a formalized process for identifying and evaluating nominees for director. To date, no stockholder who is not also a director has presented any candidate for consideration for board membership to the Company. Therefore, at this time, the Company does not have a formal policy relating to the consideration of any director candidates recommended by the Company's stockholders. However, the Board of Directors believes its process for evaluation of nominees proposed by stockholders would be no different from the process of evaluating any other candidate. Stockholders should send nominations and a short biography of the nominee to Cellular Technical Services Company, Inc., 20 East Sunrise Highway, Valley Stream, NY 11581, addressed to the Board of Directors or any member or members of the Board of Directors.

There have been no changes to the procedures by which stockholders may recommend nominees to the Company's Board of Directors.

During 2006, the Company's Board of Directors did not meet. The Company does not have a formal policy with regard to its Board of Directors members' attendance at annual meetings of stockholders. All of directors attended the Company's last annual stockholders meeting held on June 4, 2004.

The Company's Board of Directors does not currently provide a process for stockholders to send communications to the Board of Directors as the Company management believes that until this point it has been premature given the limited liquidity of the Common Stock of the Company to develop such processes. However, the new management of the Company intends to establish a process for stockholder communications in the near future.

Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) reports they file.
