A live audio webcast of the conference presentation will be available online at the investor relations page of the Company's website at <http://ir.transenterix.com/events.cfm>. A replay of the webcast will be archived on the website for approximately 90 days.

About TransEnterix

TransEnterix is a medical device company that is pioneering the use of robotics to improve minimally invasive surgery by addressing the clinical and economic challenges associated with current laparoscopic and robotic options in today's value-based healthcare environment. The company is focused on the commercialization of the Senhance™ Surgical Robotic System, a multi-port robotic system that brings the advantages of robotic surgery to patients while enabling surgeons with innovative technology such as haptic feedback and eye sensing camera control. The Senhance Surgical Robotic System is available for sale in the US, the EU and select other countries. For more information, visit the TransEnterix website at www.transenterix.com.
